

Gibsons Steakhouse proudly serves **Gibsons Prime Angus** beef. We are the first restaurant group in the country to be awarded its own USDA certification. Gibsons Prime Angus is sourced from a carefully selected list of producers in the upper Midwest, corn-fed for up to 120 days and aged for a minimum of 40 days.

*The Illinois Department of Public Health advises that eating raw or under-cooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness.
